

TORABHAIG ALLT GLEANN BATCH STRENGTH

PRODUCT INFORMATION

The new Single Malt from the Isle of Skye

Torabhaig is a new distillery that blends traditional and contemporary approaches. The first distillery to be built on Skye in 190 years, it has been fully operational since January 2017. We distil in beautiful copper stills as you would expect, but we chose to ferment in traditional wooden washbacks that add complexity of flavour in the whisky.

This limited release is a bolder expression of Allt Gleann and will close the Allt Gleann chapter of the Legacy Series. Bottled unreduced, it shows the confidence we have in the quality of our whisky and highlights the strength of our signature style.

Product	Single Malt Scotch Whisky
ABV	61.1%
Volume	750ml
Pack size	6
Case weight	9.9kg
Pallet spec.	20 per layer - 5 layers = 100 cases
Bottle barcode	810913031059
Case barcode	10810913031056
Non chill-filtered, not colored	

TASTING NOTES

Nose: Typically Torabhaig with bonfire smoke, peat, and light, sweet, vanilla-led oaky spice.

Palate: More smoke, salinity, maltiness and quite an obvious wood spice with subtle grain, capsicum, and green apple touches. Weighty peat embers, a touch of cedar and sawdust.

Finish: More oaky spice with a tickle of fire.

61.1% Alc. by Vol. **TORABHAIG** 750ml
 ISLE OF SKYE
